

DID NOT HERE ABOUT THIS TILL TODAY BET WOULD LIKE TO VOICE MY THOUGHT.
AS AN OVER THE ROAD TRUCK DRIVER TRAVELING FROM COAST TO COAST, IT IS A VERY
GOOD THING HAVING TRAFFIC ON PRE SET STATIONS AS ON XM RADIO FOR WEATHER AND
TRAFFIC. AS WE TRAVEL WE DONT KNOW ALL OF THE LOCAL CHANNELS AS WE GO THROUGH
EACH CITY, AND WHEN WEATHER IS GIVEN IT IS GIVEN BY LOCAL RADIO AS IF WE LIVE IN
THE AREA. IT DOESN'T HELP US MUCH FOR ON LOCAL STATIONS THEY GIVE US COUNTY AND
HYWAYS WE MIGHT NOT DRIVE OR RECONIZE AS WE ARE TRAVELING THROUGH. ALSO WE ARE
BETTER OFF TRYING TO CONCENTRATE ON THE ROAD AND NOT BE SERCHING THE RADIO FOR
REPORTS WE CANT FIND.
